the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million, and the number of people aged 75 and over has increased from 5.5 million to 7.5 million (Office of National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the principle of 'active ageing', which is the process of maintaining and enhancing the health, participation and security of older people. The strategy also sets out a number of key objectives, including: to improve the health and well-being of older people; to increase the participation of older people in society; and to ensure that older people are secure and safe.

# Four-block scheduling

## arrives at HHS

After two years of preparation and training, four-block scheduling arrived at HHS, bringing with it many changes.

Students and staff had to wear identification cards at all times, and back packs were no longer allowed in the classroom. Students in in-school suspension were able to make up all work they missed, so ISS became a popular form of punishment.

Mr. Daryl Fraley became the new assistant principal, replacing Mr. Tom Taylor, who left to become principal of Wheeler High School. Mrs. Traci Prescott moved up to the high school from the middle school to take over as band director, and Miss Cathy Kirsch became the fourth theater teacher in five years.

At the end of the football season, Coach Don Howell announced his retirement after 33 as head coach.

Senior Katie Julian takes down the hoop after the girls' basketball team won its first sectional championship.

Entering her p.i.n. member to buy a meal from the new lunch system is Senior Kristina Locke.

The wrestling team receive their medals after taking third place at the IHSAA state competition.

Junior Jackie Mikusevich participates in the first Powder Puff game in 20 years.

For the first time, students were able to attend summer school to get help for their graduation qualifying exams.

Wearing her I.D. during spirit week is Junior Erin Geary.

AN OVERVIEW OF EVENTS AND PERSONALITIES OF THE YEAR

After an extraordinary year of "he said/she said," President Clinton's fate was in the hands of the Senate. The embattled president faced impeachment on charges of perjury and obstruction of justice for his conduct in the Monica Lewinsky sex scandal. Clinton, who admitted to having "an improper relationship" with the former White House intern, became the first president in 130 years to be impeached by the House of Representatives. A final resolution in the matter would come after a Senate trial, where a two-thirds vote is required for impeachment.

Using a number-crunching system few understood, polling in the inaugural NCAA Bowl Championship Series resulted in a Fiesta Bowl match-up between No. 1 Tennessee and No. 2 Florida State. The Volunteers beat the Seminoles, 23-16, for the national championship.

Thirty-six years after becoming the first American to orbit the Earth, John Glenn was rocketed back into space on the shuttle Discovery as the world's oldest astronaut. The mission of the 77-year-old former U.S. Senator was to serve as a test subject for NASA's research on aging.

St. Louis Cardinals' first baseman Mark McGwire slammed 70 home runs on the season to eclipse Roger Maris' 37-year-old record of 61. McGwire's heroics were mirrored by Sammy Sosa of the Chicago Cubs, who finished the season with 66 homers. The late-season duel between McGwire and Sosa captivated the nation and was credited for revitalizing baseball, which was still suffering from the fallout of the 1995 players' strike.

Michael J. Fox, star of ABC's "Spin City," broke seven years of silence when he revealed he has Parkinson's disease. The 37-year-old actor, best known for his work on the "Back to the Future" movies, had surgery last May to alleviate symptoms of the disease.

Mounting tensions in Iraq came to a head when Saddam Hussein refused to comply with U.N. resolutions regarding inspections of suspected manufacturing sites for chemical and biological weapons. In response, President Clinton ordered a series of air strikes against Iraq. Dubbed "Operation Desert Fox" by the Pentagon, the air raids by U.S. and British forces lasted four nights and included the destruction of the Iraqi intelligence headquarters and several weapons facilities.

Voters in Minnesota made a statement against mainstream politics when they elected Reform Party candidate and former professional wrestler Jesse "The Body" Ventura to the statehouse. The Harley-riding, cigar-smoking new governor promised Minnesotans he would return \$1 billion of the state's \$3 billion budget surplus to taxpayers. Ventura, who served one term as mayor of suburban Brooklyn Park, Minn., was one of only two independent governors in the nation.

The seniors were unstoppable, scoring on both the offensive and defensive sides of the ball. Abbey Coons scored on the first play of the game, a 66-yard touchdown run from the line of scrimmage. In the first quarter, Kelsey Buford scored a two-point conversion and in the third took a handoff from quarterback Abbey Coons and scored a 60-yard touchdown. The Class of 1999 scored 24 points in two minutes, 12 seconds' worth of possession time.

Quarterback Heather Storey scrambled eight yards for the juniors' one and only touchdown of the game. Heidi Karshner scored the two-point conversion.

"The whole experience was fun. I hope next year tackling will be allowed," said Junior Shannon Pontney.

"I wish that our team could have a rematch because with more practice we could tear them apart," said Junior Heather Storey.

"I thought the Powder Puff game was a great event for the Homecoming festivities. It was lots of fun and should continue on throughout the years," stated Senior Sarah Olson.

# 'You Can't Take It With You'

"You Can't Take It With You," the annual fall play, was performed Nov. 5, 6 and 7 in the HHS Auditorium. The profits from the play went towards the HHS Theater Department.

The main theme of the play was about family values and the "unconditional love" that families share. Miss Cathy Kirsch, the new theater teacher and director, says she chose this particular play because it provided the audience with laughter and taught moral lessons.

Approximately 60 students tried out for the 18 roles. The main characters, Penny, Alice, Essie, Grandpa, Ed and Tony, were played by Becka Marshall, Aarika Roberts, Dana Gallagher, Matt Zaradich, Kevin Farabaugh and Steven Newman. Exuberance set the night to music with the sounds of great rhythm. The National Honor Society and the Varsity H Club co-sponsored the semi. Tickets were sold for \$16 a couple.

The homecoming dances were a great time for students to be with their friends while doing what they love to do best-- "DANCE!" The Football Homecoming Dance again took place in the middle school gym, close to Brickell Bowl, with over 250 students attending.

## Senior Privileges

# Seniors like Underclass Helper Day

Senior privileges began June 1 with a No Tardy Day. Seniors were allowed to be up to three minutes late to each of their classes. However, since the seniors selected June 1 for their unofficial ditch day, over 180 seniors were absent from school.

A senior breakfast and lunch were served June 2 in the cafeteria, and the seniors were allowed to arrive to school one class period late June 3. June 4 was the Underclass Helper Day which proved to be the most popular privilege.

After graduation rehearsal June 9, the seniors were treated to a picnic on the lawn of the administration building.

## Miss Nancy McMunn, English teacher

Miss Nancy McMunn has been teaching English at the high school for 14 years, and she taught two years at the middle school 30 years ago. She has also spent time teaching in Africa and China.

To earn her bachelors degree she attended Grace College in Winona Lake. To get her masters degree, she went to Valparaiso University.

Miss McMunn said she got her inspiration to teach from her fifth and sixth grade teacher, Mrs. Helen W. King, with whom she continues to keep in close touch.

When asked how teaching has changed through the years, Miss McMunn stated, "So much about teaching and students have changed just as society in general has changed.

Miss McMunn believes that no matter what occupation you chose to pursue, "you need to make very sure that it is what you want to do."

## Mrs. Jackie Moore, English teacher

Mrs. Jackie Moore retired after working in the school system for 30 years.

She taught English 14 years at the high school and 16 years at the middle school.

She attended Edinboro State College in Pennsylvania and received her bachelors degree. Then she attended Indiana University Northwest and received her masters degree.

She was most inspired as a youngster by her teachers. Her advice to others who want to become teachers is, "Make sure this is what you want to do; then—go for it."

Along with being a teacher, Mrs. Moore sponsored the middle

school newspaper for four years and yearbook for two. At the high school she was involved in Writers' Club for eight years, coached the fine arts academic team for three years, and the bowling club for three years.

What will Mrs. Moore miss most about teaching? "The bright, outgoing, creative students, and the friends who just happen to be teachers," she answered.

However, she won't miss, "Waking up at 5:30 a.m. to get ready for school."

## Mrs. Avis Sebby, English teacher

Mrs. Avis Sebby taught English for 33 years at HHS and the middle school, as well as being an Academic Super Bowl coach.

After retirement Mrs. Sebby plans on doing extensive traveling, begin oil painting again, learn how to stain glass and become involved in charity work.

Mrs. Sebby attended Ball State University for her bachelors degree and Valparaiso University for her masters.

Mrs. Sebby was most inspired by her teachers since she was 12, and even in her youth found them to be exciting and challenging.

When asked, "How do you think teaching has changed over the

years?" she replied, "Over the years it seems the courses have been highly simplified. Also, the advances in technology have been amazing."

In reply to how students have changed, Mrs. Sebby said, "The majority of students over the years have been pleasant and dedicated, but in the last decade an increasing amount of dysfunctional students lack manners, morals, and don't know how to handle their anger."

Her most memorable moment at HHS was working with a superior academic team last year.

## Mr. Dale Marcus, art teacher

After teaching for 35 years, 31 at HHS, Mr. Dale Marcus retired. He has taught mainly art classes throughout the years, but he also taught other subjects from kindergarten through adult levels, as well as coaching a variety of sports.

Mr. Marcus attended Rockford College for his bachelor of science, and Valparaiso, Purdue and Indiana universities for his masters.

In his free time, he plans to spend more time with his family, travel and golf, but he does not want to leave the area.

According to Mr. Marcus, he

will miss the students, teachers and staff the most, and will miss the "Mickey Mouse stuff" the least. He believes the new block scheduling is great for hands on classes.

Mr. Marcus said that his high school science teacher and coach, a person that he looked up to and respected, inspired him to become a teacher. His advice to others who want to teach would be "to try it out early in their college experience, and if they enjoy it, then continue with it."

"I can't believe it's been 35 years! It seems like only yesterday I started teaching."

## Miss Gail Schrader, biology teacher

Miss Gail Schrader retired after 23 years of teaching biology. Miss Schrader has also taught earth science, accelerated physical science, and gifted and talented for juniors and seniors. In addition she was the varsity girls' basketball head coach, along with track and field.

After retirement Miss Schrader plans to move to the Atlanta, Georgia, area.

Miss Schrader attended Purdue University for her bachelors degree, Indiana University Northwest for her administration license, and the University of Oklahoma for her masters in natural science.

Miss Schrader was most inspired to teach because in the late 1960's teaching was one of the few good jobs for women. When she began to teach, she realized how much she enjoyed working with and teaching students.

Her most positive memorable moment at HHS was the establishment of the medical biology class, cleaning up the Hobart parks on Earth Day, trips to Kenya, Australia, and England / Scotland and being dean of students.

Miss Schrader will miss seeing friends on a regular basis, but she "won't miss getting up at 5 a.m. and fighting snow storms!"

## Mr. Bob Wozniak, math teacher

Feeling it is his time, Mr. Bob Wozniak retired from HHS after teaching a variety of math classes for 15 years. He also taught 23 years at HMS.

Mr. Wozniak was inspired to become a teacher by his high school math teachers, so he attended Ball State University to fulfill his dreams. At BSU he received his bachelors and masters degrees.

When asked how he thought teaching itself and the students have changed over the

years, he replied, "Maintaining discipline has become a challenge. As for the students, they know everything. Just ask them."

Mr. Wozniak will miss Mr. Bob Graham's predictions the most, but will be thankful for not having to wake up at 5:30 a.m.

His advice for those wanting to become teachers is "be prepared for long hours and many papers to grade."

Mr. Wozniak's retirement plans include golfing and traveling.

## 40 years as physical education teacher

# Don Howell retires after 33 years as head football coach

Coach Don Howell, head varsity football coach for 33 years, announced his retirement from his position at HHS in February. He was also a physical education teacher in Hobart for 40 years.

He stated that the decision was so difficult because he had such a deep attachment to Hobart. "The reason why it's so hard is because I've always been a Brickie," Coach Howell said, holding back tears.

He said he had a very tough schedule and was just burned out. He didn't know how much more he could give. He added that there were many heart-breaking times in his career when he wanted to quit, but he didn't give up.

Mr. Howell attended Indiana University for his bachelors degree and Ball State University to receive his master of science degree. He said he was inspired to become a teacher by his high school football coach, Russ Deal.

Mr. Howell said he would like to tell others who are interested in teaching to "be a strong disciplinarian teacher, but be fair!"

He said he will miss the students, but he will not miss getting up at 5:30 every morning. Mr. Howell's plans for retirement include a lot of fishing and as much traveling as possible.

The most important thing he believes he gave to his players was the policy to work hard, stay to-gether and act as a family. "Right is right, wrong is wrong; we should teach our kids that," stressed Coach Howell.

He said he would miss the camaraderie and the enjoyment of victory. He didn't want to walk away from a losing team, but he said that if he stayed next year, then he would have to stay another year, and so on. According to Coach Howell, he would have felt better about retiring if the team would have beaten Griffith.

As head football coach at HHS, Coach Howell's teams had a record of 314-73-2. Throughout his head coaching career, he had only two losing seasons, the first year and the last year.

Other achievements were

Indiana's highest overall winning percentage, with 81.2 percent wins; the state's highest 1980's winning record with 119-14; ranked in Indiana's top 20 football teams for 25 years; he had 71 consecutive Brickie Bowl game wins; and 57 consecutive game victories.

His team's record in the Duneland Conference was 140-27. The team also had 55 consecutive Duneland Conference game wins, 17 DAC championships, 19 consecutive sectional championships, 15 regional championships and 11 semi-state championships, which was the state record.

The team was state finalists seven times and was state champions four times under Coach Howell's direction. He said the four state championships were his most memorable times at HHS.

Coach Howell thanked every-one of his players over the past years. He said he hopes people will remember him as a good person and a demanding coach that always strived to get the best out of people.

Clockwise—Coach Don Howell introduces Mr. Charlie Boston as the new head coach. In previous years, with colleague and friend, Tom Kerr. Receiving good-bye hugs, kisses and gifts at the end of school year.

## Graduation

# Coons, Schwuchow lead class

The Class of 1999 graduated June 10 in the auditorium. Abbey Coons, valedictorian, and Wendy Schwuchow, salutatorian, led the class.

After the processional was played by the band, Lisa Johnston, Senior Class president, welcomed the students and guests. Then Mr. Tom Workman, Senior Class sponsor, introduced honored guests. Next, Wendy and Abbey addressed their classmates.

After that, Jon Balash, school mayor, reviewed the class activities, and then Principal Sherry Williams presented the class to Supt. Jack Leach for acceptance.

Diplomas were presented by school board members, Mr. Brian Rosenbaum and Mr. Jason Back. Then the A Capella Ensemble sang the Alma Mater, and band played the recessional.

Middle left: Times up, seniors. You are now graduates. Flip the switch.

Salutatorian Wendy Schwuchow gives her speech to begin the ceremony.

Jenny Covington was the lone HHS gymnast to compete at state. She placed sixth in bars with a 9.25. "I'm thankful for all the support I received," said Jenny.

In sectionals, Jenny placed fifth in all-around, and Jill placed ninth; however, only the top six advanced to regionals.

Coach Lisa Spiller said the girls did not do as well as expected at sectionals, "because the judges didn't give credit to those gymnasts who did difficult skills."

Mary, you'll always know we love you.  
May you find serenity and tranquility in a world  
you may not always understand.  
Always know that there are those whose love  
and understanding will always be there, even  
when you feel most alone.  
Teach love to those who know hate, and let that  
love embrace you as you go into the world.  
May you find enough inner strength to determine  
your own self worth.  
May you always feel loved.

We love you very much, Pete and Denise

Thank you for your infectious laughter; it has brightened our lives. We love you so.

As the incomparable Dr. Seuss wrote in *Oh, the Places You'll Go!* :  
"You'll be on your way up!/ You'll be seeing great sights!/ You'll join  
the high fliers/ who soar to high heights." At the same time, don't  
forget: "You can get all hung up/ in a prickly perch. And your gang  
will fly on./ You'll be left in a Lurch."  
But fear not! "98 and 3/4 guaranteed" as long as you remember "to be  
dexterous and deft. And NEVER mix up your right foot with your left,"  
things should work out.

CONGRATULATIONS! We're very proud of you both.

## Marcy, our 1999 Graduate

You sang in the Angel Choir at church at 5;  
earned a Gold Medal at the Purdue Science Fair at 10,  
sang on stage with the Mandrell sisters at Branson at 11,  
and cheered at the R.C.A. Dome at 15.

You have grown into a lovely, sensitive, caring young lady.

We have always been able to count on you to make  
good choices and meet challenges head on.

Continue to use the lovely "gift of voice" that God gave you.  
Your delightful personality, enthusiastic spirit, and leadership  
qualities have shown in your academic achievements,  
and dedication to Wolfgang and Cheerleading.

Keep the "beautiful" memories of your friends and your  
school days with you always. We have no doubts that you will  
achieve your goals and succeed in whatever you do in life.  
We are so very proud of you. Good luck and God bless you.

Love, Dad, Mom & Bryan

I love you, Bud!

Love, Mom,  
De & Keana, too!

Dearest Kyle,

Through your teen years you have had to deal with the loss of so many of our loved ones. You have accomplished the hard task of overcoming your grief, replacing it with happy memories of those who played such a large part molding you into the beautiful young woman you are today.

As your parents we could never have asked for a more loving, kinder daughter than you. You have managed to fill the role of both a younger and older sister remarkably well. The joy you have brought into our lives is immeasurable.

We wish your happiness and success wherever life's path leads you. We love you, Kyle, and thank God for making you a part of us.

Love,
